BUYING GUIDE

94 **PharaohMoans 2007 Westside Red Wine (Paso Robles); \$95.** This Rhône blend from the fashionable west side of Paso Robles is made in the modern cult style. It's very dark in color, full-bodied and glyceriney in the mouth, and delivers a thermonuclear blast of fruit and oak. Among the flavors are roasted blackberries, cassis, melted milk chocolate, anise, cotton candy, vanilla custard, crème brûlée and cinnamon spice. Not exactly your classically dry table wine. Drink now.
